Greetings.

I am David ~~XXXXXXXXXXXX~~ and I would like to let the way out to know how much I appreciate your ministry. I'm a resident at CBCF and I attend every chapel and bible study each week. I always look forward to seeing Jim and Butch along with the guests they bring. I enjoy very much the fellowship we have together.

Sometimes I lose my patience and get angry with some people and when I see Jim and Butch and study God's Word I forget I was angry or realize what I was angry about wasn't that important.

I shall pray for the way out to continue receiving blessings and for the ministry to grow and learn.

Thank You!

David
